

# BULLSEYE!

## Phoenix Announces Increases to Income Today Amounts

Phoenix Personal Income Annuity hits the target with competitive lifetime income in years 0-3. According to 2017 data, the average year to activate lifetime income is 2.2. These latest enhancements to Income Today make Phoenix Personal Income Annuity a compelling choice for clients.

- Annual Benefit Amount percentage increases for PIA Income Today
- Three New Indexed Account Options on all fixed indexed annuities
- Enhanced compensation rates for eApp submissions
- Nassau MYAnnuity 5X/7X MYGA Rate Increase
